PROJECT

Anglia Farmers

Phase 1

DESCRIPTION :

- Conversion of a redundant agricultural building to provide new offices for Anglia Farmers, Norwich.
- 1,100m² of office space for about 100 people, comprising a large open plan trading centre, boardroom, meeting rooms and executive offices.
- Located in a pleasant rural setting, within a farmyard with several other businesses.
- Existing concrete structure retained with the central spinal section raised to allow natural lighting and natural ventilation to the deep plan open office.
- External materials inspired by traditional Norfolk barns and selected for their durability and low maintenance.
