

New travelling oven

## PROJECT Grain D'Or, London

### DESCRIPTION :

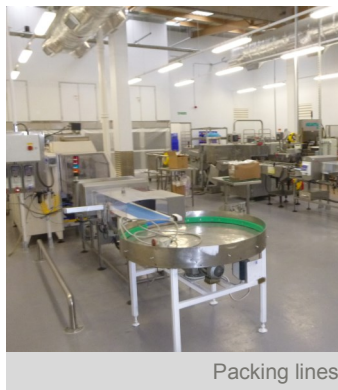

- Extensive remodelling of three terraced industrial units into a new 20,000 sq. ft. bakery.
- Creation of a new Low Risk environment with the incorporation of white walling, and polymer floor finish.
- Old amenity areas were re-planned to incorporate a new changing facility, canteen and goods-in areas.
- A new-build despatch extension with first floor plant room.
- Project completed September 2013.
