

**Jonathan Fowler**  
Engineering Director

Jonathan has worked in the food industry for 25 years and at executive level since 2003. His career experiences cover Engineering Management, Project Management, Process Design, Business Improvement and Operational Management. His last 'factory' role was as Manufacturing Manager at a Waitrose dedicated prepared salads business for Bakkavör.

His project experiences have successfully delivered over £30m of capital spend on a range of projects from new builds through to factory extensions and efficiency improvement through to process innovation projects.

Jonathan is a Member of the Institute of Leadership & Management and has strong all-round people values and experience in executive leadership, with key abilities to design, implement, train and motivate personnel through strategic and cultural changes.
