

Lee Chapman RICS
Costs Director

Lee has worked with a committed focus in Food Processing and Manufacturing. He has delivered Pre and Post contract Cost Management / Quantity Surveying services throughout the United Kingdom and internationally, with projects in Brazil, United States and Saudi Arabia. These projects range from process line extensions, full scale refurbishments and large new build facilities.

His career includes 13 years at Davis Langdon where he worked with leading food companies and blue chip manufacturing companies.

Lee has been a member of the Royal Institution of Chartered Surveyors since 2004.
